FOREWORD

The *Alumni Number* of the Williams College Bulletin provides a list to which every alumnus may quickly turn for information about his classmates and college friends including latest known addresses.

This publication is issued biennially by the college and is distributed free of charge to all graduates and nongraduates who request a copy. Requests should be addressed to the Alumni Office, 1 Jesup Hall, Williamstown, Mass.

To make this issue as practical as possible the following rules are followed:

1. Each name is given under the original class. If degree was received later, that fact is indicated: B.A. with date.
2. Titles are omitted before the name as far as possible. This applies to new names added and is not retroactive.
3. Degrees and occupations are given directly after the name.
4. Residence address.
5. Business address.
6. ¶ signifies preferred mailing address.
7. Class secretaries are named at the beginning of the class lists. If there are vacancies in this important office, classes are urged to elect a new secretary at their next reunion.

Names of all living graduates are carried, even when no address is known. Names of nongraduates are carried *if address is known*; not otherwise. For a list of all officers, graduates, and nongraduates since the founding of the college, see the *General Catalogue* of 1930, copies of which may be had upon application.

Article XI. Alumni Trustees

1. The society shall elect, from the alumni of the college, five members of the Board of Trustees of the college to be known as alumni trustees. These trustees shall be elected for a term of five years each, their terms expiring in successive years, and the term of one trustee expiring in each year. In case of a vacancy in the office of any alumni trustee before the expiration of his term, if such term would not otherwise have expired at the succeeding college Commencement, such vacancy shall be filled for the unexpired term at the meeting of the society held immediately prior to such Commencement.

2. Alumni trustees shall be chosen by printed ballots. Said ballots shall be prepared by the secretary of the Society of Alumni, who shall place thereon the names of the five men nominated by the Nominating Committee. The latter shall be composed of five representatives of the various alumni associations and four members of the Executive Committee of the Society of Alumni, one of whom shall be the latter's president.

Each of the officially recognized alumni associations shall be entitled to send its president or his proxy to a meeting which shall be held annually in Jesup Hall at ten o'clock on the Saturday morning of the week-end devoted to the Midwinter Home-coming in February. The proxy, however, must be a *bona fide* resident of the district covered by the association which he represents. In the event that the president or his proxy does not appear at the meeting, the alumni association over which the former presides shall have no vote.

At the meeting of these representatives of the various alumni associations five of their number shall be chosen by ballot to serve on the Nominating Committee, and a discussion of available candidates for the five positions on the alumni trustee ballot shall be held by the full meeting, in order that the five committee members shall be informed as to the general attitude of the representatives present and the type of man they wish nominated.

The Executive Committee of the Society of Alumni shall also elect by ballot three of its members (one from each class) to serve on the Nominating Committee with the president of the Society of Alumni.

At four o'clock on the same Saturday the nine members of the Nominating Committee shall meet in Jesup Hall, elect their chairman and secretary, and, after canvassing the entire field of alumni, shall nominate five candidates for alumni trustee and five alternates (in order). The factors to be considered in nominating these candidates shall be their character, ability, loyalty to the college, standing in their communities and among their fellow-alumni, age, and geographical location. Any man listed as a graduate or sometime member of the college shall be eligible for nomination.

Upon the nomination of the ten candidates, the chairman and the secretary of the Nominating Committee shall certify their names to the secretary of the Society of Alumni within forty-eight hours after the choice is made.

The first five shall be considered the candidates named by the committee, and the sixth, seventh, eighth, ninth, and tenth men shall be considered as alternates, to be taken in that order in the event that one or more of the first five decline nomination or die prior to the election.

A full year must elapse before a man who has completed his term as alumni trustee can serve again in that capacity. Furthermore, no man shall be nominated by the Nominating Committee more than three years in succession.

No alumni association shall be entitled to be represented at the annual meeting in February except the official associations listed, unless it has been organized with its regularly elected officers for a period of one year, and also has been formally recognized as a regional alumni association by a majority vote of the Executive Committee of the Society of Alumni.

3. The secretary shall, at least two months prior to the alumni meeting, mail to each member of the society at his last known address a notice of the coming election of alumni trustees, containing the name, class, residence, vocation, and fact (if so) of previous service on the board of each candidate; also a statement of the names of the members of the Board of Trustees of the college as then constituted, with a statement, in the case of the alumni trustees, as to the dates of the expiration of their respective terms of office, and an official ballot containing the names of the nominees who have received the necessary votes, together with an envelope addressed to himself, within which, sealed, each vote shall be forwarded to him. These votes he shall open, count, record, and hold subject to the order of the society. He shall not communicate the state of the ballot to anyone before its final announcement by him at the alumni meeting. It shall be his duty, however, to refer to the Executive Committee of the society all matters respecting any doubtful validity of votes. If any person or persons so reported by the secretary as nominated shall die or withdraw his name or their names before the official ballot is sent out, the secretary shall place upon said ballot, in the place of the one or more so dead or withdrawn, the name or names of the person or persons who were nominated as a candidate or candidates by the votes of the next highest number of members,

subject to like provisions as above in case of ties, previous nominations, deaths, or withdrawals.

4. Each member of the society shall be permitted to vote for one candidate only for the position of alumni trustee. The candidate receiving the highest number of votes shall be declared chosen to the office of trustee, and, if there be more than one vacancy, for the longest term. If there be more than one vacancy, the candidate receiving the second largest number of votes shall be elected trustee for the next longest term, and if there be other vacancies, each vacancy shall be filled, in turn, by the member receiving the highest number of votes who shall not already have been declared elected a trustee to fill some other vacancy.

5. The words "elect" or "chosen" or similar words in this article shall be understood to mean to recommend to the Board of Trustees of the college, by which latter body the election is legally made.

Article XII. Amendments

This constitution may be amended by a majority vote of the members of the society present at the annual meeting provided that notice of the proposed amendment has been mailed to each member of the society at least thirty days previous to the meeting.
